*Wine Spectator* Best of Award of Excellence Winner since 2004

Chef-Sommelier, Dominick PURNOMO

Welcome to the *Yono's* wine program. It is our goal to present you with a collection of fine wines from all major wine producing regions of the world. We pride ourselves on collecting boutique and small production wines from family owned & operated wineries. This wine list was created with our cuisine in mind and is intended not only to complement it, but to enhance your entire dining experience. If you find that you have any questions or are unfamiliar with any of the wines, our Sommeliers would be glad to assist you.

We take the utmost pride in our wines, by storing them in a temperature & humidity controlled environment, and serving them exclusively in Riedel crystal. We aim to serve our wines at optimal temperature which is 43° for Champagne & sparkling wine, 52° for white wines and 62° for reds. If you would prefer us to chill your wine additionally, we would be happy to do so.

We offer service for wines not on our list, for twenty five dollars with a limit of 2 bottles, please. For magnums, we charge fifty dollars with a limit of one bottle, please.

À Votre Santé,

Dominick Purnomo  
Chef Sommelier

*The Pinot Noir is a minx of a vine. Indubitably feminine alas, if not exactly female, this is an exasperating variety for growers, winemakers and wine drinkers alike. It leads us a terrible dance, tantalizing with an occasional glimpse of the riches in store for those who persevere, yet obstinately refusing to be tamed.*

*-Jancis Robinson, "Vines, Grapes & Wine"*

## The Pinot Noirs of Ken Wright

Ken Wright Cellars was founded in 1993 and its first vintage was produced in 1994. Prior to creating Ken Wright Cellars, Ken founded Panther Creek Winery in 1986 and made wines there from 1986 through 1994.

In 1993, Panther creek was purchased by Ron and Linda Kaplan, the current owners.

Ken Wright Cellars' first building was an old brick building, a former glove factory, which the winery shared with Domaine Serene Winery.

The 1993 through 1996 vintages of Domaine Serene wines were made by Ken Wright Cellars for Domaine Serene.

Located in rural Carlton, Oregon, Ken Wright Cellars is devoted to showcasing the inherent quality of selected vineyard sites. With a clarity and breadth that is unequaled by other varieties, the people at Ken Wright cellars believe Pinot noir best expresses the character of these sites. Rather than stamping wine with a varietal trademark, they see Pinot noir as a vehicle for conveying the aroma, flavor and texture of the location in which it is grown.

## Coeur Blanc by Domaine Serene

It is a common belief that the juice from red grapes is, in fact, red. The truth is that the inside, or pulp, of most red grapes is essentially "white". Only their skins are red. Most wines are made with just the inside of a grape. The red color in red wine is created by allowing the fleshy interior to mix with the pulpy skins when it is being made. This process infuses red wines with its distinctive color. Yes, you can make extraordinary white wine with red grapes like Coeur Blanc, a fine white wine made from a grape with a decidedly red exterior.

Coeur Blanc is a unique, barrel-fermented white wine made from fully mature, 100% estate-grown Pinot Noir grapes. It is full-bodied, richly textured and has a flavor profile that captures both the red and white wine characteristics of our cool climate growing region.

Ripe, estate-grown Pinot Noir is hand harvested and gently whole-cluster pressed, limiting contact with the purple grape skins so that only the purest essence, or "white heart" juice is expressed. The resulting juice is barrel fermented in French oak and aged on the lees for 15 months. Coeur Blanc is further aged one year in bottle before release and is a one-of-a-kind representation of Pinot Noir that offers a new spectrum of flavors and aromas, while maintaining its varietal character.

WE ARE PROUD TO OFFER YOU  
**CONTINUUM**, A CABERNET BLEND  
THE LAST PROJECT FROM  
THE FATHER OF CALIFORNIA WINE MAKING,  
THE LATE **ROBERT MONDAVI**...

Continuum celebrates the ongoing legacy of the Mondavi's proud history in Napa Valley. It represents a new beginning, and reaffirms their longstanding commitment to winemaking excellence. . .

Wine is an artistic expression of man's harmony with nature. Production practices at Continuum honor and support the vineyards through balancing the essence of classic techniques with modern day innovations.

Their goal is to craft balanced wines with power, finesse and elegance –  
wines that are expressions of the land, the people and the vintage. . .

Continuum carries forward the belief that wine is integral to enhancing the meal  
and the celebration of the good life.

Continuum is yet another page in the Mondavi family legacy, a '5th beginning'.

Founded in 2005, it is a partnership between members of the Robert, Marcia and Tim Mondavi families. It is a rededication and refinement of the family's longstanding commitment to excellence in winemaking. Continuum's goal is to produce a single wine that is recognized among the finest in the world

The partners in Continuum represent three generations.

At the helm is Tim Mondavi who led the winegrowing team at Robert Mondavi Winery for 30 years. He is joined in guiding the vision and direction by his sister Marcia, his father Robert and Robert's wife Margrit. Their combined passion and creativity are the primary inspiration for this important new beginning.

Carissa Mondavi is the first of the third generation to join the winery

The Continuum partnership is more than just the ongoing legacy of the Mondavi family. It is a renewed commitment to the innovation, excellence, and artistic expression in grape growing and winemaking. The grapes for both the 2005 and 2006 vintages come from vineyards in the Oakville appellation, cultivated by the Mondavi family for decades. The wines are raised with respectful and time honored techniques, acquired over four generations and 85 years of experience. The grapes are hand harvested into small lug-boxes, hand-sorted and fed by gravity into small Oak Tanks for fermentation. The wines are aged in 100% new French Oak barrels and bottled unfinned and unfiltered.

### The Zinfandels of Larry Turley

The debut Zinfandel vintage, 1993, quickly established that Turley Wine Cellars was deadly serious about making blockbuster Zinfandels from some of California's oldest, pre-prohibition, head-pruned vineyards. The wines, aged in small oak casks (both American and French) of which 25% are new each year, are made from grapes that express the essence of Zinfandel. These wines, are hugely successful with wine knowledgeable consumers because of their enormous power, richness, weight, and lofty alcohol levels. The wines are extraordinarily rich and clearly the most concentrated and powerful Zinfandels being made.

Larry Turley, brother of that infamous "wine goddess" Helen, got his start as one of the owners of Frog's Leap Winery in Rutherford. When the hankering to focus on single vineyard zinfandel in a bone-crushing style took hold of him, he purchased property in Napa Valley just off Highway 29 between Calistoga and St. Helena, acquired contracts for some particularly "gnarly" old vineyards, and did just that.

*"Know me, stranger, For I am thy life blood and thy nectar.  
I shall wet thy lips, parched by the winds of deprivation.  
And nourished shall be thy body,  
desiccated by the scorching inferno of temperance.  
Rest thy head upon my bosom, Lose thyself in the ecstasy of my caresses,  
And know me, For I am  
ZINFANDEL !!"*
